

Here is the E-Update for this week – April 21, 2008

ADVERTISING FUND RAISING DEADLINE: Please remember that the advertising fund-raising monies and ads are due this week. Board members will be set up at a table near the vending machines at the pool from 4pm-6pm on Monday-Thursday, and from 4pm-5:30pm on Friday. Please make sure all forms are filled out correctly, and that the monies you turn in match the monies listed on your forms.

TEAM APPAREL ORDERS DUE THIS WEEK: Your orders for t-shirts, sweats, etc., need to be turned in this week. We will not be ordering these items again until November. All items **MUST** be paid for when you turn in the order forms. We will have samples of the kids' sizes for you to look at. Board members will be set up at a table near the vending machines at the pool from 4pm-6pm on Monday-Thursday, and from 4pm-5:30pm on Friday.

UPCOMING MEET DEADLINES: Signups for the **Delta meet are due by Friday, April 25th**. All entries should be sent to Marlins2008@montrosemarlins.org. If you do not get a confirmation email, your entries were not received. Please call Cindy at 596-7274 if this happens to you. Entries are always posted on our website, so that is another place to check to make sure your children are registered.

NEW BILLING NOTES: The Marlins has a new treasurer - Tina Chandler. We also upgraded our billing software, so between those two great events, your bills should start being more readable. Tina also is planning on the following billing schedule: If your checks are in the post office box by the last Friday of the month, they will be counted against that month's bill and will show up on your invoice. She will collect all the checks by the last Friday of the month, close out all the accounts, and send the bills out the following week (the first week of the new month).

DISTANCE CAMP: For our 13 and over swimmers, information on Distance Camp 2008 is posted on our web site.

PLEASE CHECK WEBSITE OFTEN: Please make sure to check the website often, especially in the summer. Suzi does a great job of keeping the website up-to-date. During the summer the meet signups come very quickly, so frequent webchecks are a really good idea. Other information is also posted on the website, such as warmup schedules, changes in meet schedules, etc. www.montrosemarlins.org
