

Here is the E-Update for this week – July 16, 2008

WOW WEE!! GREAT JOB MARLINS!!!

A huge thank you to all the families who volunteered their time, brought food and drink and were supportive to our team! The meet went great thanks to all the help from all of you! What a great team we have!!!

Job Signups for our Western Slope Meet

Because the hosting team does not get to keep any of the swimmers' fees (which is the biggest money earning part of a meet) all the attending teams are obligated to help them with the meet jobs. If we don't do our part, we may not be asked back next year! Our assignments are listed below. We got off pretty lightly, considering we are sending more swimmers to the meet than anyone else!

If each of our attending families sign up for one job, no one will have to work more than once. It's not something any of us are excited about at this point in the season, but if everyone does their part, no one will be overloaded.

Please sign up below as soon as possible, and make sure to report to your job when it's time! Please do not make our board members have to call you personally if we still have holes by tomorrow evening! It's not fun for us to have to call you, and we're quite sure you don't like us pestering you, so please sign up as soon as possible.

We have a very good reputation on the Western Slope for always doing our part and then some. Let's uphold that again this year!

Psych Sheets

Psych Sheets for WSL Champs are posted on our web site...

Want to Show your Dedication in Helping Kids Swim?

We need you and you can help!! There will be a New Stroke and Turn Official's Clinic this Saturday at the Western Slope Championships Meet at 12:30pm. Did you know there was one meet on the western slope this summer where the times didn't count because there were not enough officials? Be a part of the solution and be trained as an official!!!
