Hello Everyone,

Well, school has started for most everyone, and the new swim season is upon us. I just wanted to send out a quick reminder of several things. We will be talking about them again at our potluck, so feel free to ask any questions then or now!

Please check the internet for both **group assignments and practice times**.

New Billing: You may remember that we decided to change our billing starting this season. We decided that all bills need to be paid in advance instead of in arrears (the way it has been for years). Many of you should have gotten your bill via email, the rest are coming in the mail this week. This bill must be paid by the first of the upcoming month, enabling your child to swim that month. For example – the current bill is for October. You must pay the bill by October 1st for your child to swim during the month of October.

Meet Payments: There are two ways for you to do this. You may put extra money in your account to cover the costs of meets. If you do this, then all you need to do to sign up for meets is to email in the events you wish to swim (just like you have always done) and the costs of the meet will be deducted from your account. If you do not wish to do this, you will need to pay when you register. There will be a locked box at the pool with a slot in the top. Fill out the signup form (this will be posted on the internet before each meet's deadline) and slip the form and a check for the costs into the lockbox. Once the entry chair picks up your forms and check you will be notified via email that you are registered for the meet. The lockbox will be in place by mid-September.

CSI Registration: CSI registration time is also rolling around. Your current registration is good until December 31st. I will be sending out registration forms in early October. I will also have them at the potluck, so if you wish, you can save the team some postage and pick them up there. You can re-register anytime between now and December 31st. Your registration will then be current until December 2010. You may send that form and check in, or you may drop it in the lockbox at the pool.

Annual fall potluck: Our annual fall potluck is coming up on September 20th. If you didn't get information via the mail, please let me know. We would love to see you there.

Please feel free to call me if you have any questions or concerns. My number is: 596-7274
